PARISH NEWS
DECEMBER 2013**

THE PARISHES OF BRANDESTON AND KETTLEBURGH

Dear Friends,

Christmas is all about family, and whether we have many or few members of our own, it's a time of year for getting in touch, reminding people that we care for them, that they are special, by exchanging gifts and cards, and video phone call via the internet if people are far away.

So, Christmas when it eventually arrives after all the frenetic preparations and stress, is the time to take a moment to recall the traditional story, told to us in our childhoods, the story of the Holy family, the stable in Bethlehem, the gifts of the Magi, and the homage paid to the baby in a manger by the shepherds. And that's where the Church comes into its own, with the many and varied festive services on offer, all of which, depending on our personal preferences, help us to remember what Christmas really is all about.

***Christingle Services** with their unique message of 'light' - the light of Christ coming to darkened world, but with oranges, sweets and candles to do the explaining.*

***Crib services and Nativity plays** much loved by the young, who get to dress up, and in their costumes re-tell the traditional story.*

***Carol services** - in their many and varied formats, from the traditional 9 Lessons and Carols, to the less informal Carols by Candlelight, right through to the very informal carol singing around our villages and in our pubs, garden centres and farm cafe's..*

So there is something for every taste, and if you're one of the many who only goes to Church occasionally, or never, why not make this Christmas the one you walk up the path and through the 'open' door of your parish Church, or the one that is hosting your favourite type of service. Everyone is welcome everywhere in our 7 churches at any time, but especially at Christmas.

And as Christmas is all about family it seems oddly appropriate that this Christmas will be Harry Edward's last before he retires in January after 40 years of Ministry having being Rector in the Campsea Ashe benefice for 18 years, and Priest in Charge of Brandeston & Kettleburgh with Easton for 6, 2014 will see the start of his well deserved retirement, giving him more time for his family, including the many grandchildren, but also with unlimited time to walk the dogs, and maybe enjoy the occasional pint of cider in a local hostelry.

And so I'd like to close this letter with some words from one of the most popular carols, one that is completely traditional which has a final verse we only sing on Christmas day, and at no other time.

**Yea, Lord, we greet thee, born this happy morning,
Jesus, to thee be glory given,
Word of the Father,
Now in flesh appearing:
O come, let us adore him
Christ the Lord**

And I wish you all a happy, peaceful and blessed Christmas,

with love, **Deirdre**

SPONSORED CYCLE RIDE – September

It was a drizzly day this year. 3 cyclists went from Kettleburgh – Persephone and Rob Booth and myself, and Dinah Reed walked round some churches in Ipswich and thoroughly enjoyed herself.

Thank you to all cyclists, walkers and sitters in both villages and a big thank you to all our sponsors. Half the money goes straight to our churches and half to the Suffolk Historic Churches Trust who we apply to for a grant when major repairs are needed.

NOTICES

KETTLEBURGH KEEP FIT

For the last 3 years, Liz Marzetti has been running a Keep Fit Class in the Village Hall 10.00 till 11,00 on a Monday morning. My wife Mary is a long time member and finds it very beneficial

More people attending would mean the cost per head will come down, its currently only £5 per person per week. So if you are feeling in need of a weekly pick me up or just an hours chat with gentle exercise thrown in then contact me or Liz

Its open to Men & Ladies so a good substitute for golf during the winter months!!

VILLAGE HALL

Some of you will have noticed that we have had work carried out to replace the roof covering of the main hall? This is necessary as rain and snow have been getting in to the roof space in the last 18 months. The new roof replaces one put on by John Bater & Bob Booth almost 40 years ago so it has served us well: We have also had the kitchen tiled and hope to go on to repaint the hall & kitchen ceilings'.

The "Fat Band" on Saturday the 19th October was a great success and the profits from the evening will go some way towards the roof costs!

The Village Hall Committee have special cause to remember Derek Hill, a good friend to all the village and a generous benefactor to the your village hall.

REMEMBER A LOVED ONE AT ST ELIZABETH HOSPICE'S LIGHT UP A LIFE EVENT

A series of special remembrance events will be held in East Suffolk and South Norfolk for people wanting to remember a loved one in the lead up to Christmas.

St Elizabeth Hospice is holding six Light up a Life events to bring together anyone, not just those touched by Hospice care, who wish to remember and celebrate the lives of loved ones at this poignant time of year.

Each event includes Christmas carols, music and readings as well as a time for reflection. The Revd Jo Perry, chaplain at St Elizabeth Hospice, said: "Christmas is a time for giving and sharing, a moment for enjoying being with your family members and loved ones. But it is also a time for reflecting on the lives of loved ones we have lost, remembering these special people and the cherished memories that we hold dear to our heart.

"St Elizabeth Hospice's Light up a Life events are open to everyone and give us an opportunity to come together as a community to celebrate the lives of those we love and remember those who are no longer with us."

Light up a Life Events are free to attend, no ticket is needed just turn up on the day. Your nearest Light up a Life event is being held on **Sunday 1st December, 4pm, at St Michael's Church, Framlingham.**

This year people are invited to personalise a Special Memories Card to bring along to the event.

You can pick up a form along with a special memories card from St Elizabeth Hospice shops and all St Elizabeth Hospice sites, or call 01473 723600.

You can also make a dedication to your loved one on our virtual Light up a Life Christmas Tree by visiting www.stelizabethhospice.org.uk/lightupalife

DONATE FURNITURE TO HELP THE HOSPICE

St Elizabeth Hospice is urgently appealing for donations of furniture to sell in its shops.

The charity has a team of volunteer van drivers who will pick up good quality items from your home, Monday to Saturday.

Donations of sofas, table, chairs, wardrobes and cabinets are all welcome and will be resold in the Hospice's shops which stock furniture in Ipswich, Felixstowe and Stowmarket.

Jason Rudderham, Retail Area Manager at the Hospice, said "With Christmas coming up, this is a great time of year to have a sort out and donate any furniture you don't want any more to the Hospice. You may have furniture that no longer fits with your colour scheme or you might have bought new furniture in the pre-Christmas sales.

“Our shops are great for the environment as they allow goods to be reused and recycled and the funds raised enable St Elizabeth Hospice to continue to make a real difference to the lives of our patients and their families.”

To donate furniture call 0845 259 0319.

NEWS FROM FRAMLINGHAM SURGERY – December 2013

A sincere thank you

Due to the fund raising efforts of our patients, we are delighted to report that we have been able to purchase a new 24hour ECG monitor as well as the important memory cards for storing the results. The fundraising was supplemented by a very generous donation from the Mills Trust.

Until we purchased our new machine, we were having to manage a waiting list for patients who needed to have their heart monitored. We are now able to offer the necessary monitoring to our patients very promptly. We are very grateful to Jill and Brian Whittaker for their fundraising efforts and anyone who donated to the fund, as well as of course to the Mills Trustees.

Infections

As you will know from the national news, there have been outbreaks of measles and whooping cough this year and these outbreaks continue to occur whilst parents do not get their children vaccinated. The key message from these outbreaks is to get your child vaccinated against these diseases if you haven't done so already. Please talk to one of our Practice Nurses if you are not sure if your child's immunisations are up to date.

Should you feel that you or your child does have an infectious disease and you need to see a doctor, please ensure that you tell one of our receptionists so that we can isolate you from other vulnerable patients in our waiting area.

Appointments

Just a reminder that Janet Walne our Nurse Practitioner is available to deal with a range of minor illnesses and injuries like sore throats, earache, conjunctivitis, cuts and sprains, emergency contraception and urinary tract infections. Janet is a fully qualified, experienced Nurse Practitioner who is able to prescribe medication and has access to our GPs if required. Ask to see Janet when you phone up for an appointment!

Cuba!

Dr Susan Hopton is planning a 400 mile charity cycle ride over five days in Cuba in October 2014. She will be raising money for Breast Cancer Care, Jo's Cervical Cancer Trust

and Ovarian Cancer Action and is currently busy training and getting fit. If you would like to sponsor her, sponsorship forms will be available at the surgery or you can donate online at: www.justgiving.com/Susan-Wright02.com

Finally....

We will be closed on Christmas Day and Boxing Day as well as New Year's Day. In an emergency you should phone 111. A very Merry Christmas to all our patients from everyone at the surgery – let's hope that 2014 brings us a happy and healthy New Year!

FROM THE EDITOR

Would anyone like to take over typing /editing the magazine for Brandeston and Kettleburgh? It takes approx 6 hrs a month, barring technology problems, and is quite an interesting job. I am now working full time, so it is becoming difficult to find time. If anyone is interested, please give me a ring on 724777.
