## THE PARISHES OF BRANDESTON AND KETTLEBURGH

### A Letter from Tunstall

Dear Friends

**Hatch, Match and Dispatch**, are various events which occur in everyone's life from time to time, and all are occasions which make living a ministerial life what it is - what it is really all about. Obviously it is also about personal prayer, pastoral visiting, taking services on Sundays, charring meetings, and even finding time to shop for groceries occasionally. But meeting people in the highs and lows of human life, when they look to their Church to help them celebrate, a birth, a marriage, or the life of a family member. And all these events become pastoral encounters with people from the wider communities in which I serve, and they are a joy and immense privilege.

**Hatchings** of babies, unlike baby birds and ducklings, isn't seasonal; they can and do occur at any time during the year. Whereas the '**matching**' season is just now getting underway. My first wedding of 2015 is on 2<sup>nd</sup> May followed by 7 more spread out over the summer months, with a finale the last of the year being held on New Year's Eve. **Dispatches** are the occasions where one notices most; year on year; the number of people lost to a community. Someone often well loved and respected by more than their immediate family. Someone who may have supported the life of the church for many years, often for a lifetime, and who are irreplaceable. Or, someone who was a stalwart of parish life and who also can never be replaced. And all these people have one thing in common, which is the legacy of memories they leave behind, which means that people will remember what they did for village life whether in the bowls club or on the parish council, or the allotment, or whatever for generations to come.

May all the blessings of this Easter season be yours,

With love in Christ

**Deirdre**

**COMPLINE** is a service of Night Prayer, ancient, with its origins back in the C6th and St Benedict, where in the monastic life it marked the completion of the working day, and the start of the grand silence. Compline provides us with a time of silence for reflection and contemplative prayer, and the 1928 version which has been used in these parishes for over 20 years has a gentle rhythm to it, which for me and other regular followers is addictive. And it is something I have a mind to try occasionally during the year, a Friday evening and the end of a working week comes to mind, as does weekly in Lent and during Holy Week. So on Monday, Tuesday and Wednesday of Holy Week 2015 we will meet at **6.30pm** normally seated in the choir pews, as a reminder that it was a monastic 'office' and we let out the tensions of the day and shift our attention back to God. It is not lengthy (20 minutes or so) and for many it is the perfect end to a busy day, and sitting in a familiar church at dusk can be an oddly comforting experience. It is also a perfect preparation for what is to follow later in the week, so if you are a 'fan' or never tried it, now is your chance and the dates are:

**Monday 30<sup>th</sup> March in Hacheston**

**Tuesday 31<sup>st</sup> in Parham**

**Wednesday 1<sup>st</sup> April in Easton**

### SUFFOLK WALKING FESTIVAL 9<sup>th</sup> – 31<sup>st</sup> May 2015

We are fast approaching that time of year again when the air will start warming up, the bluebells will be blooming and the Suffolk countryside will be enticing us to dig out our walking boots and start exploring. What better way to do this than to join in the annual Suffolk Walking Festival which takes place 9<sup>th</sup> - 31<sup>st</sup> May. The programme is packed with over 90 guided walks around medieval villages, market towns, along the coast and through gentle landscapes across the county.

The eclectic mix of walks includes Sketch Book Strolls for children (there's also one for

adults) with a local artist around Brandon Country Park; a seven mile hike called Food Glorious Food through Thetford Forest to the award-winning restaurant at the Elvedon Hall Estate for lunch; A Scottish Visionary and His Fairytale Village, starting from Thorpeness along the coast as well as Beachcombing for Beginners on Felixstowe beach.

You can follow in Benjamin Britten's footsteps along 'Curlew River' and learn about the composer, his music and the wildlife that inspired him; walk the Horseshoe Trail and learn about horse racing in Newmarket; explore the Ponds of Helmingham Hall, walk in the footsteps of Thomas Gainsborough around Sudbury or learn about John Constable as you amble through 'Constable Country'.

There are far too many walks to list completely here, so please visit [www.suffolkwalkingfestival.co.uk](http://www.suffolkwalkingfestival.co.uk) to look at the programme and to book your tickets. You can also pick up a brochure from you local tourist information centre.

We hope you will be inspired to join in this fun and sociable festival to enjoy Suffolk at its very best.

**“Oysters” by Eastern Angles  
at Brandeston Village Hall  
Saturday 23<sup>rd</sup> May at 7.30 pm  
Tickets £8 (£7 for concessions)**

The region's leading touring theatre company, Eastern Angles, is coming your way.

They are back on the road with their latest touring production, *Oysters*, written and directed by Eastern Angles’ founder and Artistic Director Ivan Cutting.

This play is inspired by real-life experiences of boat-builders, Oyster farmers and townspeople living on the Essex coast.

Mo has just turned fifty and is busy restoring an oyster dredger recovered from an Essex riverbed. Helping him bring the boat back to life is Angie, a young apprentice with a chip on her shoulder. When a piece of Mo's beloved dredger goes missing their lives are up-ended and the past floats to the surface.

***Oysters*** has been researched and developed as part of the Pioneer Sailing Trust *Land and Sea* project, which is focused on restoring the 1893 Oyster Smack *Priscilla* [www.pioneersailingtrust.org.uk](http://www.pioneersailingtrust.org.uk)

## MAURICE GEORGE SCOTT

With sadness we record the death of Maurice Scott, aged 84 years, at his home, Brook Farm, Kettleburgh on Thursday March 12<sup>th</sup>, 2015. Maurice was well known in the community with his friendship, experience in country life and his considerable knowledge of horses both locally and throughout the county. I think of how he used to go up to Appleby in the summer to trade and just to enjoy the fellow horsemen, their company and their yarns. Both he, and his wife Sue, have kept several horses and hunted them ever since they have lived at Brook Farm and that is a long time. We have seen him too in social and family life as faithful, generous and true in all his life.

There will be a full obituary in next month's magazine, by which time we will have held a funeral service for Maurice. We thank God for Maurice's life and pray that he may rest in peace.

We send our love and sympathy to Sue, Kathy, Victor, Tracey, Jemma, Molly and Martin. May they know God's comfort and peace. GV

## PAST EVENTS

### KETTLEBURGH CHURCHYARD

We have let the light in ! For the first time in fifty years Church Farm can see at least three other houses. And this is because part of the churchyard hedge has been coppiced which means cut down to promote new growth. This operation took two mornings of chain saws, hooks and small machinery and a very willing band of helpers. This will encourage a new hedge in just a few years with the addition of some maple whips in the gaps. For this we thank the great team of Graham, Tim, Kevin and Alfie, Trevor, Patrick, Victor and Tracey and John for their very hard work.

While clearing the brambles from the south corner of the churchyard the seat donated in memory of John Field who used to live at Watermill House reappeared. Graham very kindly took the seat home, repaired and restored it, thank you. KPCC

## **NOTICES**

### **BRANDESTON PARISH COUNCIL**

The term of the sitting councillors will come to an end in May and several of the present members are intending to step down. There will, therefore, be vacancies and it is a great opportunity for residents to be involved in village life and decisions that can be made at a local level.

In recent years there have never been more candidates than places available, so there has been no election. Councillors have simply been co-opted, but if there are more candidates than places available there will be an election in the usual way.

Anyone interested in serving on the parish council please contact David Risk – current chairman – on 685294

### **FLAUNT YOUR FLOWERBEDS FOR ST ELIZABETH HOSPICE**

Green-fingered supporters are needed to open their gardens to the public from May to September, in aid of St Elizabeth Hospice.

By opening your garden for one morning or afternoon this summer you can make a difference and help St Elizabeth Hospice continue to improve life for over 2,000 local people living with a progressive illness every year.

St Elizabeth Hospice is looking for a wide variety of displays. So whether your garden is traditional or contemporary, tranquil or tropical, cosy or large, why not invite others to admire your horticultural skills whilst raising funds for your local Hospice? You could even get the entire village involved, with the whole community opening their gates and sharing their glorious gardens with the public.

If you would like to open your garden this summer, or for more information, please call 01473 723600 or email [fundraising@stelizabethhospice.org.uk](mailto:fundraising@stelizabethhospice.org.uk)

*“Hold a Fish and Chip Supper to help spinal cord injured people rebuild lives after injury”*

## **GREAT BRITISH FISH AND CHIP SUPPER – Friday 15<sup>th</sup> May 2015**

Want to eat Fish and Chips, while raising money for charity? Hold a fish and chip supper on Friday 15<sup>th</sup> May 2015 whilst raising awareness of spinal cord injury and supporting SIA’s vital services. You can hold a fish and chip supper in your own home, at work or hold a larger supper at your local community centre.

SIA will provide a fundraising pack containing hints and tips, recipes, invitations and donation envelopes. By inviting 8 friends and asking them to donate an additional £5.00 means you will raise at least £40.00 from your supper but we will also give you additional fundraising ideas to raise even more money for SIA.

In 2015 we want to make the batter matter and raise £40,000 from everyone holding suppers. Last year we raised £20,000 from the suppers.

The money raised from the suppers will help the Spinal Injuries Association offer support to individuals who become paralysed and their families, from the moment a spinal injury occurs, and for the rest of their lives by providing services and publications which enable and encourage paralysed people to rebuild lives after spinal cord injury.

Every year in the UK over 1,000 people experience a spinal cord injury and there are an estimated 40,000 spinal cord injured people in the UK alone.

Community Fundraising Manager, Elizabeth Wright, says, “The Fish and Chip Supper is a wonderful opportunity for a great evening with friends and family. We are also encouraging people who work to hold a Fish and Chip Lunch in their work places to raise even more funds. You may be even a local community group wanting to run a fun evening with your group.

For more information or request a fundraising pack call Elizabeth Wright on 0845 071 4350 or email [fundraising@siafishandchips.co.uk](mailto:fundraising@siafishandchips.co.uk) or visit [www.siafishandchips.co.uk](http://www.siafishandchips.co.uk)

## **PEDAL FOR A PURPOSE WITH HOSPICE’S SUFFOLK SPORTIVE CYCLE EVENT**

Cyclists, join St Elizabeth Hospice’s Suffolk Sportive and pedal for a purpose this April.

The local charity are holding their annual cycle event on Sunday 26<sup>th</sup> April and it’s suitable for cyclists of all abilities.

Starting and finishing in the gorgeous surroundings of Alton Water, riders have a choice of a 40 or 80 mile routes or a shorter family ride, taking participants through the scenic Suffolk countryside; or an off-road circuit around Alton Water.

The routes have been planned with the assistance of experienced cyclist Matt Kerr, a Hospice supporter and member of Ipswich Bicycle Club. Matt’s mother Ann was cared for by the Hospice, and died there after a year-long battle with lung cancer.

Joanne Rodger, Events and Challenges Fundraiser at St Elizabeth Hospice, said: “Our cycling events have always proven popular, and we hope this fantastic location and our great range of routes will help get cyclists of all abilities involved in supporting their local Hospice.

“We ask participants to raise as much sponsorship as possible - any funds you raise will make a difference and goes towards providing vital care and support to our patients and their families.”

Registration is open now and is £30 for the longer routes or £12 for the family and off-road routes. To sign up now, visit [www.stelizabethhospice.org.uk/events](http://www.stelizabethhospice.org.uk/events)

St Elizabeth Hospice improves life for people living with a progressive illness in East Suffolk and South Norfolk.

It costs millions of pounds a year to run and relies on fundraising events like the Suffolk Sportive, as well as gifts in Wills and the income generated from its shops to meet the majority of these costs.
