PARISH NEWS  
OCTOBER 2015***

## PARISHES OF BRANDESTON AND KETTLEBURGH

Dear Friends,

Months come and go, time flies and October is upon us again. The month for many Church Harvest Festivals, our buildings are decorated and look and smell wonderful, the hymns sung are traditional, and no one ever tires of singing we plough the fields and scatter do they?, we have even sung it at a recent funeral.

But Harvest Festival is an important thanksgiving, it is right that we should devote one particular Sunday in the year in which to focus on the harvest of the land and sea, though each parish will have; by their own tradition; a specific Sunday on which to do it.

As the Christian year unfolds, different aspects of our faith are highlighted. We give thanks at Christmas for the coming of our Lord Jesus, at Easter for the resurrection, on Whitsunday for the gift of the Holy Spirit, each celebration with its own unique much loved traditions, but all are set within the sweep of God's all embracing love for his children.

We in the UK and specifically in our beautiful Suffolk are fortunate people, with so much to be thankful for, so if you join your parish church, or another close by this year, we will be celebrating Harvest with a deep sense of gratitude to God, and also with a recognition that all who enjoy bountiful harvests must always find ways of sharing that good fortune with others, especially the poorer members of our human family, wherever they might be. And to this end some of our seven churches have chosen to ask for non perishable harvest gifts this year, so that they can be donated to local food banks or other charities for distribution to those in need.

With love in Christ

**Families with young children**, do you remember Sunday School? Do you have fond memories of yours?. Do you have a niggling idea that you might want your children to experience something similar. Well you can, you just need to travel to Easton on the 4<sup>th</sup> Sunday each month at 11am.

Once there you will find Carol Rook one of our Lay Elders leading **COSMIC** which stands for **Children on Sunday Meet in Church**, which is what they do until the first hymn, when they go to a nice warm small room and have fun, creating stuff out of paper etc, listening to stories, after which they come back into Church and share with the grown up what they've been doing and learning.

So I would urge you to cross the parish boundary, and get your child(ren) involved, don't just sit at home bemoaning the fact that your parish doesn't have a Sunday School. Give it a try, what have you got to lose? You can be sure of a warm welcome, and who knows it might be just the thing you've been hoping would start up in your village. And if we're to become a united group of 7 parishes we've simply got to get used to moving among all the villages, so that we can share what each has to offer to the others, and at the same time get to know each other better.

Following the service in church we will continue with an informal Harvest Supper in the Village Hall at 6:45pm to which, again everyone is invited. Soup, jacket potatoes and salad, and apple pie will be on the menu. No need to book, but please bring your own drinks.

## ADVANCE NOTICES

Monday 2 <sup>nd</sup> November	4pm	<u>All Souls' Day Service</u> at Easton Church (see below)
Saturday 7 <sup>th</sup> November	11am – 4pm	<u>Christmas Fair</u> iao Suffolk Animal Rescue, at Brandeston Village hall (see below)
Thursday 12 <sup>th</sup> November	7.30pm	<u>Kettleburgh Parish Council Meeting</u> at the village hall. Future dates: 4 <sup>th</sup> Feb and 12 <sup>th</sup> May 2016
Friday 13 <sup>th</sup> November	7.30pm	<u>Quiz Evening</u> at Kettleburgh Village Hall

**All Souls' Day is the 2<sup>nd</sup> November**, it is a day in the Church's calendar set aside for the commemoration of the faithful departed, In our group of seven parishes there have been 21 funerals this year to date, and so it seemed to me there might well be a need to hold a service of commemoration this year. It will be at All Saints Easton, starting at 4pm and anyone; regular or occasional church goers; or not; is most welcome to come and share in this peaceful, simple, reflective service of music and prayer and to use the stillness to remember loved ones departed. There will be an opportunity to light candles in memory of those we have loved, and you are also invited to bring a small posy of flowers to leave there if you would like to. There will be time afterwards for tea and cake and conversation.

If you are unable to attend but would like me to name someone in the prayers for you, please do feel free to get in touch, or leave me a message.

No Christian is solitary,  
through Baptism we become members one of another in Christ,  
members of a company of saints whose mutual belonging transcends death.

One family, we dwell in him,  
One church, above, beneath;  
though now divided by the stream,  
The narrow stream of death  
(Words by Chares Wesley)

### KETTLEBURGH VILLAGE PRODUCE SHOW

A big THANK YOU to everyone who helped in any way with the organisation and running of this year's show or came and supported us in the afternoon. Many people are involved setting out the hall, preparing the entry cards, stewarding and completing mark sheets and prize cards. In the afternoon others help with the raffle, teas, the auction of produce, and finally clearing the hall. Our show is always well supported and the judging a very serious task. If you entered this year, thank you for your support, and if you didn't then why not have a go next year. It was lovely to see the hall full of brightly coloured flowers, beautiful fruit and vegetables and luscious looking cakes and preserves. If you have any ideas for new classes or for the subjects for the photographs please let us know, we really would welcome some suggestions. We will be having a meeting in early 2016 to form a committee and plan for next year's show, if you would like to help please let myself or Tracy Wingfield know.

### THE CHURCH BIKE RIDE

The Church Bike Ride took place on Saturday 12<sup>th</sup> September, after a grim weather forecast on Friday night, which I am sure put a lot of people off. The weather improved dramatically during the afternoon. Cyclists then kept us going, signing them in at the Church and Chapel. Thanks to everyone who sat at the Church and Chapel, and to everyone who sponsored the cyclists, and also to the cyclists themselves.

Total money raised will be in the October magazine.

### **KETTLEBURGH VILLAGE GREEN NEWS**

#### **Thanks**

First of all, a big thank you for the offers of help to build a shed base. Angus Wheeler-Rowe and Chris Finbow had already placed a plastic shed base by the time we got the offers but we were able to avail ourselves of an offer of pea shingle to fill in the gaps and have made a couple of contacts who are handy with concrete for the bases needed for the planned new benches in the play area. Hopefully the shed will be constructed with some help before the nights draw in too far!

#### **Play area**

The big news is that the new play equipment, which will sit alongside the existing, is on order and our supplier, Proludic are looking to start installation between 12<sup>th</sup> and 19<sup>th</sup> October. When we have a firm date we will put on notices on the green, the village noticeboard and on our website to let everyone know as the play area will be out of action for approximately 5 days during the installation. As soon as we do have a firm installation date we can arrange a grand opening. If you know a local celebrity that would like to cut the ribbon, let us know.

#### **Hallowe'en on the Green**

Hallowe'en on the Green this year will be on Saturday 31<sup>st</sup> October. Look out for road side posters and check on Facebook or our website for full details. If you can help out in

anyway (making delicious cookies to sell or carving pumpkins), we'd love to hear from you as we cannot run this fantastic community event without help. The 1<sup>st</sup> Deben Valley Scouts will be joining us this year so it's shaping up for quite a party.

### Christmas cards

The Kettleburgh Green Trust is toying with the idea of creating packs of Christmas cards to sell to raise funds for the trust. Do you have a Christmas or snowy scene photo that we use? Please get in touch if you do and you don't mind us using on a Christmas card. We'll ensure you get the credit.

### **ST ELIZABETH HOSPICE CONNECTING CARE**

October 4-11 marks Hospice Care Week, a national campaign to help raise awareness and celebrate the work of local hospices, like St Elizabeth Hospice, improving life for people living with a progressive illness.

The theme for this year's Hospice Care Week is 'Connecting Care' and throughout the week St Elizabeth Hospice will be telling people about the innovative ways in which they connect with local people, including through community engagement work. They will also highlight examples of their compassionate and personalised care, connecting with people wherever they are.

Mark Millar, St Elizabeth Hospice's acting chief executive, said: "Hospice Care Week is a big week for us as it gives us the perfect opportunity to really shout about the work we do and raise awareness of the breadth of services we offer, not only for patients, but for families, carers and health professionals too. We connect with a variety of people including those in schools, groups and businesses throughout the local community.

"A lot of people have misconceptions about what hospice care is and this national week allows us and other hospices across the country, to educate and inform people about what hospice care really is and dispel some of the common myths."

### **5 myths dispelled:**

1. Hospices are not just a place people go to die. Patients can come to a hospice for outpatient appointments, day care, therapy, pain relief respite, as well as for end-of-life care
2. Hospice care is not just a building. Around 80 per cent of St Elizabeth Hospice's patients are cared for at home or in the community. The hospice centres its care around an individual's needs which means offering specialist support wherever it is required
3. Hospices don't just care for people with cancer. St Elizabeth Hospice improves life for people living with any progressive illness, such as motor neurone disease, multiple sclerosis, Parkinsons, heart, lung and kidney disease, as well as cancer
4. Anyone from the age of 14 upwards can be cared for by St Elizabeth Hospice – the hospice is currently developing its young adult service, working with young patients aged 14-30 to improve their care to meet the needs of younger people
5. Hospices are not scary or sad places. They are a happy place filled with laughter where people are supported to live the rest of their lives as fully as possible

To get involved read the local paper, visit the St Elizabeth Hospice website and follow them on Facebook and Twitter. Keep up to date with what they're doing during Hospice Care Week and learn more about the amazing care and support they give to local people – and how you can help.

### **LINK ROMANIA SHOEBOX APPEAL 2015**

Many people now contribute to this charity each year, and this is just a reminder about items for boxes this year, which need to be ready by the end of October. The following items are suitable for a Family Shoebox: shampoo, shower gel, small toys, toothbrushes and paste, nail clippers, brush/comb, safety razors, simple calculator, hair accessories, soap/flannel, colouring books, writing pads, sweets, chocolate, sewing kit, candles, soft toys, screwdriver, tape measure, socks, tights. If you would like to contribute a box for an elderly person/couple, extra ideas include: plasters, tissues, reading glasses, lavender bag, pens, paper, small mirror. There are now three ways that you can help - as well as two kinds of boxes, there is also a foreign currency collection. Leaflets to attach to the shoeboxes will be available at Kettleburgh coffee mornings, at the back of Kettleburgh Church and at Kettleburgh Harvest Supper, or you can download a leaflet from the website link. If you would like to know more about the appeal, contact Jackie Clark (723623) or take a look at the website: <http://linktohope.co.uk/> There is a link on the Kettleburgh website (Church page).

### **SUFFOLK NHS ADVICE** **Help prevent falls and trips**

Don't underestimate the consequences of an older person having a fall. A fall can result in broken hips or bones and even early death. In addition to the pain and distress a fall can cause, it can take away someone's self-confidence, leaving them afraid to go out and socially isolated. The statistics on falls are staggering:

- 50% of people aged over 80 suffer a fall each year
- 33% of people aged over 65 suffer a fall each year
- 1 in 10 elderly falls result in serious injury
- 25% of all 999 calls are falls related

One way of reducing the chance of falling is by replacing old and worn slippers. Many people have a favourite pair of comfy slippers that could be potentially dangerous. Worn soles can easily lead to a slip and slippers that fit poorly can cause a trip.

The safest slippers are those with good quality non-slip rubber soles, are enclosed and have a fastener.

So, if you have a pair of old and worn slippers, please think about replacing them. And if you've got an elderly friend or relative think about giving them an early Christmas present of a new pair of slippers.

### **It's almost time for a flu vaccination**

GPs are encouraging people in at-risk groups to start thinking about getting their winter flu jab.

From September GP practices will be contacting patients in at-risk groups, informing them of their entitlement to a free NHS flu vaccination. For your convenience many GP practices will be operating walk-in flu clinics.

*At risk-groups entitled to a free NHS flu vaccination from their GP:*

- You are aged 65 years or over.
  - You are pregnant.
  - You are living in a long-stay residential care home.
  - You are the carer of an elderly or disabled person whose welfare may be at risk if you fall ill.
  - You are a child aged 2, 3 or 4 years.
  - You are aged six months to 65 years and have a heart problem; a chest complaint or breathing difficulties including bronchitis and emphysema; a kidney disease; lowered immunity due to disease or treatment (such as steroid medication or cancer treatment); a liver disease; had a stroke or TIA; diabetes; a neurological condition e.g. multiple sclerosis or cerebral palsy; a problem with, or removal of, their spleen e.g. sickle cell disease.
- If you are someone in an at risk group, or know someone who is, please don't underestimate how serious flu can be. A serious case of flu could result in bronchitis or pneumonia, a worsening of your diabetes and for pregnant women premature labour or even stillbirth.
