PARISH NEWS  
DECEMBER 2015***

## PARISHES OF BRANDESTON AND KETTLEBURGH

Dear Friends,

Christmas is all about family, and whether we have many or few members of our own, it's a time of year for getting in touch, reminding people that we care for them, that they are special, by exchanging gifts and cards, and skyping those across the world.

So, Christmas when it eventually arrives, after all the frenetic preparations and stress, is the time to take stock, to recall the traditional story of the Holy family, the stable in Bethlehem, the gifts of the Magi, and the homage paid to a baby in a manger by the shepherds. And that's where the Church comes into its own, with the many and varied festive services on offer, all of which, depending on our personal preferences, help us to remember what Christmas really is all about. Keeping *Christ in Christmas*.

We have on offer :

***Christingle Services*** with their unique message of 'light' - the light of Christ coming to darkened world, but with oranges, sweets and candles to do the explaining.

***Crib services and Nativity plays*** much loved by the young, who get to dress up, and in their costumes re-tell the traditional story.

***Carol services*** - in their many and varied formats, from the traditional 9 Lessons and Carols, to the less informal Carols by Candlelight, right through to the very informal carol singing around our villages, and even in our pubs.

***Formal Holy Communion services***, at various times from early afternoon to late on Christmas Eve, to 8am on Christmas Day for the early risers.

So there is something for every taste, and if you're one of the many who only goes to Church occasionally, or never, why not make this Christmas the one you walk up the path and through the 'open' door of your parish Church, or the one that is hosting your favourite type of service. Everyone is welcome everywhere in our 7 churches at any time, but especially at Christmas.

Wishing you all a happy, peaceful and blessed Christmas,  
with love

### **BRANDESTON WEBSITE AND EMAIL LIST**

Darryl Morgan, who runs the Brandeston website, has updated it with a new look and some new features. One of these is to store the Brandeston email list which is used to circulate news to residents and supporters of events in the village about things that are going on, events at the Queen, cats that go missing, bikes for sale etc. etc.

Our old village email list has been transferred to this new system so you can check that you are included or become a new recipient by registering – you can do this on the front page of the new website [www.brandeston.net](http://www.brandeston.net). If you are already on the list it will tell you. There is a separate list for the Brandeston Wine Society and by signing up on that list, which you can find on the Wine Society page, Martin Churchill will keep you up to date with the society's events.

The way that you can send an email to this list remains the same – send it to either Kathy Churchill on [kathy.churchill@keme.co.uk](mailto:kathy.churchill@keme.co.uk) or me [sue.thurlow@btconnect.com](mailto:sue.thurlow@btconnect.com) and we will circulate it for you.

This is a really good way to keep up to date with what is going on so please do register.

Sue Thurlow  
Sec. Brandeston Village Hall

### **GO WACKY IN WOOL FOR THE HOSPICE THIS CHRISTMAS**

St Elizabeth Hospice is urging friends, colleagues and classmates to go wacky in wool this December.

The charity is holding its first ever Christmas Jumper Week between 14 – 18 December and is asking local businesses, schools and groups to don their craziest knit and do their bit for their local hospice.

Organisations choose a day during the week and on their nominated Christmas Jumper Day, everyone has to wear their silliest sweater and donate £2 to St Elizabeth Hospice.

Felicity Rook, St Elizabeth Hospice's head of fundraising, said: "Christmas jumpers have become such a popular phenomenon in recent years, nearly everybody has a festive top, and Christmas Jumper Week is a great excuse to get yours out and wear it to work, school or wherever.

"Holding a Christmas Jumper Day is sure to get you in the festive spirit in the run up to Christmas and is an easy and fun way to raise vital funds for your local hospice and help ensure nobody has to face their illness alone this Christmas."

Throughout the week the hospice will be offering prizes for the best, craziest and most outrageous jumpers through their Facebook and Twitter pages, so if you want to get involved, make sure you like and follow the hospice's social media channels for your chance to win some great giveaways.

To find out more or to request your Christmas Jumper Week festive fundraising pack, visit [www.stelizabethhospice.org.uk/jumperweek](http://www.stelizabethhospice.org.uk/jumperweek) or call 01473 723600 or email [fundraising@stelizabethhospice.org.uk](mailto:fundraising@stelizabethhospice.org.uk)

If you would like to donate £2, just text JUMPER to 70300. Every pound you donate will help make a difference to the lives of local people living with a progressive illness such as cancer, motor neurone disease or heart failure.

### **THE SURVIVING WINTER APPEAL**

Unbelievable as it might sound, 450\* vulnerable people in Suffolk die in the winter months from causes directly attributable to the cold and poor living conditions. The vast majority of individuals affected are over 65 years old.

In fact, this is just the tip of the iceberg- almost 30,000\*\* households in Suffolk currently live in fuel poverty. Many will suffer in silence during the coldest months, hidden from view, withdrawn from their community and surrounds.

Spearheaded by the Suffolk Community Foundation and in partnership with Age UK Suffolk and the East Anglian Daily Times, the Surviving Winter campaign offers vulnerable older individuals respite from the anxiety of managing fuel costs and the opportunity to stay warm and healthy during the winter. Over £85,000 was raised in the winter of 2014-2015, helping over 300 older households in the county.

Suffolk Community Foundation is now asking you to pledge your Winter Fuel Payment to those in need of extra support during the winter.

The money raised will be used in 2 ways:

- Support payments to those in need to help heat their homes properly, eat healthily and keep in touch with their community.
- Grants to local charities who support older, vulnerable people.

This truly is an extraordinarily worthwhile campaign, so please.....IF YOU DON'T NEED IT, PLEASE DONATE IT!

For ways to donate please contact The Suffolk Community Foundation on 01473 602 602.

**To claim please contact Age UK Suffolk on 01473 359911**

ORAL HISTORY – Part 2  
(continued from November magazine)

Jack Western, whom many of you will remember, spoke of his family home being bombed by a zeppelin during the First World War. “It dropped 37 bombs and only killed three hens”

His father moved the family from Epping to Park Farm, Charsfield with a horse drawn wagon. A neighbour stood at the gate watching them leave. “Where are you going” he asked. “ To Suffolk” was the reply. The neighbour had a good look at the heavily laden wagon and the horse.

“You’ll never make it”

Clifford Arbon, wheelwright, carpenter and accordion player was also on the panel. Apart from his excellent memory and vast knowledge of country things, he loved a humorous story. He told of his Uncle Harry who liked a drink and, after a session at the Clopton Crown one lunchtime, was making his way back to Monewden by bicycle. Pedalling along he came across a shadow cast on the road by a harrow. In the state he was in, he decided that caution was the best policy, got off the bike and walked around it! Cliff told us that when boring the centre of a wheel, the hole must be one eighth of an inch off centre or the wheel will run hot and bind.

Henry Clarke, a retired horseman told of having an old horse that was virtually kept as a pet at the end of its working life, being used to do light work around the farm. “I would go in in the morning, turn her out and go to get her tackle from the wall. Any other morning when I turned her out, she would back herself in between the shafts of the light tumbrel. On this occasion, someone had stood the bran tub in front of the light wagon. Did she back herself into the heavy wagon? No she didn’t, she stuck her a—e between the handles of the wheelbarrow!”

What a privilege it was for us to be able to eavesdrop on these wonderful people and listen to their experiences, knowledge and humour. Unfortunately they have all passed on now but I have managed to record several sessions with them and other groups to keep their dialect and way of life “alive”.

Are there still characters alive and kicking in the villages in the 21<sup>st</sup> century? I sincerely hope so.

*Peter Driver*
