PARISHES OF BRANDESTON AND KETTLEBURGH

Dear Friends

No letter as such this month, not that I mind writing letters to you, but this is a reflection on the subject of prayer. Archbishop Justin Welby said that people who pray together are harder to divide, and that a Church that prays together WILL find renewal. Renewal who pray together are harder to divide, and if we truly and honestly want to see change, it starts with prayer, using all the traditions ancient and modern. He also said that **when** change comes it will be linked to what has gone before but it will look different.

He also said that the method of prayer is neither here nor there – hence the theme of our 2016 Lent course, which gave the people that shared in it, the opportunity to experiment with silent prayer, to learn some techniques for meditation, and to feel prayer through hymns, music and singing. .

The 104th Archbishop of Canterbury Rowan Williams says that “Christians can be embarrassed to talk about prayer, we know we ought to do more of it, we know we ought to be better at it, and we know that everyone else does it better than us.” While Michael Ramsey the 100th Archbishop of Canterbury; who died in 1988; was, even as long ago as that, saying that there was not enough silence in the world (and what would he make of our world in 2016 I dread to think). And, that if one want to encounter God in prayer one needs silence. “ He loved spaces FOR silence and places OF silence.”

I think you might have guessed from this, just how important I think prayer is to us as individuals, but also as a Church community. So, here’s the question “Would you like to come away on a quiet day this Autumn?

And if you’d like more information please see the separate article in this magazine on page 8.

With love in Christ

Keen on scrapbooking, knitting, painting, card making....well anything crafty really but don't seem to get time to do any? Come along to our new monthly craft club in Kettleburgh village hall.

A great way of meeting people over a nice cup of tea and the opportunity to swap ideas and perhaps finally finish all those craft projects that you have started! We had a great turnout for our first meet up in May so why not pop along? It would be lovely to see you! All you need to do is bring £2 to cover the cost of hall hire and whatever crafts you are working on (if you don't have any let me know and I am sure I have something going spare!) And if you are not sure about coming as you have no one to come with don't be shy give me a call - everyone welcome!

Please call me on the number below to book your place. I look forward to hearing from you and seeing lots of you on the 7th June!

Not long now!

Kettleburgh fête is almost upon us, and will take place between 4:00 and 6:00 pm on Saturday 11th June in the garden of the Chequers. Don't forget that in addition to all the usual attractions (including the fun dog show), cream teas will be being served in order to celebrate the 90 years of time that scone (geddit?) since Elizabeth Alexandra Mary's birth. This is a great chance to clear your cupboards of all those things that you no longer need, and to donate them for the bric-a-brac, tombola, or crockery-smashing stalls. We would welcome donations of:

- Books
- DVDs
- CDs
- Unwanted gifts
- Good clothing, jewellery, bags and hats
- Toys
- Garden tools
- Crockery (either to sell or to smash)

We regret that we are unable to accept any electrical goods for the bric-a-brac stall. During the week before the fête, we will be delivering bags to each house in the village, for you to use for any donations. We will collect your filled bags (or any other containers that you prefer to use) on Wednesday 8th June, after 6:00 pm (or as advised in the note that accompanies the bag). When we deliver the empty bags, we will also deliver a book of raffle tickets for you to buy for yourselves or to sell. We can collect any money and stubs from this when we collect the bric-a-brac, or you can bring them along to the fete.

We are also asking for:

- Bottles for the tombola
- Scones and cakes for the birthday tea
- Contributions for the produce and refreshments stalls

We can collect non-perishable items along with the bric-a-brac, but please bring any fresh produce or contributions for the tea or refreshments stall with you to the fete.

We still could do with some more help to prepare for the fete and to clear up afterwards. We'd be most grateful if you could spare an hour or so at the Chequers at any of these times:

- Friday 10th June 6:00 pm
- Saturday 11th June 10:00 am
- Sunday 12th June 10:00 am

If you have any questions or offers of help, please contact John or Rowena at 01728 723124 or Annette at 01728 720048.

Thank you

SAFEGUARDING OF CHILDREN (AND VULNERABLE ADULTS)

The Church of England's policy is

“Every human being has a value and dignity which comes from God's creation of male and female in his own image and likeness. Christians see this as fulfilled by God's re-creation of us in Christ. Among other things, this implies a duty to value all people as filled with the Holy Spirit and therefore to protect them from harm, Christ saw children as demonstrating a full intimate relationship with God. He gave them status, time and respect.”

Our Diocese of St Edmundsbury & Ipswich has a Safeguarding Team working in partnership with the Suffolk Safeguarding Board, and the Suffolk Police Public Protection Unit who have devised key procedures to support this policy. In brief these are, that everyone with any responsibility for working with children within the Church will be carefully selected and vetted, and undergo training in safeguarding principals, and that every Parochial Church Council reviews their policies and procedures annually. Additionally every Church porch notice board carries a notice with the relevant names and phone numbers of who to contact should there be a need.

It is the role of the Parish Safeguarding Officer to undergo training and keep up to date with changes in legislation etc and most importantly to be the initial point of contact for anyone within our parishes who may have suspicions that a child might be at risk of harm. The Safeguarding Office then works with the Priest in Charge to ensure that any concerns are appropriately reported to both the Diocesan and statutory child protection agencies as necessary .

This is a role which has been carried out by Imogen Hayward for a number of years and I am immensely grateful to her for this. Pam Bennett-King has now very kindly taken over this role from her, for the parishes of Campsea Ashe, Marlesford, Hacheston and Parham in addition to the Parish of Easton for which she has had responsibility for a number of years.

PARACHUTE PARTY IN AID OF HOSPICE

Adrenaline junkies are invited to join the Parachute Party this July in aid of St Elizabeth Hospice.

The local charity is looking for groups of people to join them and dozens of other supporters to skydive on Saturday 16 July at Beccles Airfield.

The hospice is hoping to have a record number of people in St Elizabeth Hospice history jumping - all in one day!

Joanne Rodger, St Elizabeth Hospice's events and challenges fundraiser, said: “This year we are holding our first Parachute Party and we are looking for groups of friends, colleagues and families to enjoy the exhilarating experience of jumping out of a plane 10,000ft above ground – on the same day.”

Where possible, groups will be able to go up in the plane together, and skydive one after the other. Each skydiver is asked to pay a £50 deposit and to raise a minimum of £300 for the hospice.

Miss Rodger added: “We are hoping to have a record number of people in the hospice’s history jumping on the same day, all in aid of the hospice.

“All the money raised from the skydives will go towards improving life for people living with a progressive illness such as cancer, motor neurone disease and heart failure in East Suffolk.

“We already have 15 signed up, but if we have 50 people skydiving, we can raise thousands of pounds which would help make a huge difference to our patients and their families.”

There the fragment from the book stops.

Notes.1) It appears that the house hold had a cellar (flinging in) and burned turf as well as the much more expensive coal.

2) Almost certainly the tithe, a tax collected by the vicar. Some were very lax in collecting it while others chased every penny.

- 3) Note the price of tea! The cost of one pound was nearly 6 months' pay for a maid; the reason tea caddies had locks!
 - 4) It appears that parents paid for fuel at the school. Her child was probably boarding at Mrs Houltons
 - 5) A peck=2 gallons. Imagine! One gallon of oysters for 6d
 - 6) Christmas tips for the poor and regular help
 - 7) Links the wonderful old word for sausages!
 - 8) Wigs, a light spongy cake mentioned by Pepys in his diary.
- Only a small account book but what a wealth of information it gives us about middle class life at the end of the 17th-early 18th century.
