

KETTLEBURGH VILLAGE HALL

Chairman's Report

AGM 27th March 2019

Let me start this report by thanking all the members of the committee for their support over the past 12 months a support that has enabled us to carry out a variety of jobs for the improvement of the facilities we offer to the village. - Thank you

There has only been the one change in the make-up of our committee, Martin Sims left us & we are very fortunate to have Peter Dring join our number.

I would also like to draw attention to and that is the sad passing of John Dick, before his illness John was a very involved member of our committee and it was, he who was instrumental in us achieving Charity status. I have written to Irene to pass on our condolences

Our Panto offering in 2018 was Cinderella, once again, a great success, although the Treasurer's report will shows a reduced contribution, we did in fact make more money but funded the construction of a new stage frame designed & built by Chris Flinbow, we also installed some dedicated wiring for lighting and sound.

Well done to all involved and we look forward to our Easter Panto of Snow-white

Sue & her husband Denis took responsibility for our annual fete and they made a great success of it. It was a great day and I delighted to say that they have agreed to organise us all for this year's event as ever on the Queen's Birthday. The 8th June. Willing volunteers needed!

Our big project this year has been the refurbishment and updating of the Ladies & Gents toilets and the provision of new floors, this work which was almost entirely funded by grants from various sources started in August and after some delay was completed early September.

As to the coming year well, we have just acquired an additional 38 chairs to supplement our existing stock, these "new" chairs came as a free gift thanks to John Brookes Eagle Eye and they will be used for the first time at the Panto. We will have an autumn fund raising event in October and are looking at new portable staging in the longer term

Graham Mooney

Chairman
