

THANK YOU FOR YOUR SUPPORT!

All proceeds will go towards the day to day maintenance and development of the village green which is managed by the Kettleburgh Green Trust, a registered charity (No. 1110467).

It costs over £1,000 per year to keep the green looking its best and all that money has to be found through various fund raising means or generous donations.

We are constantly looking for new fund raising ideas and welcome suggestions for the future development of the green. If you have ideas, know of any funding sources or can spare some time to help out, please let us know.
