Grand opening

No big event as it will be fully into Autumn, just press. It was decided to ask the Hill family to open.

3. Shed

Base is down. Angus will sort a date to erect the shed.

4. Messy bed

Ask Norse to quote to reduce and grass the reminder. Add some spring bulbs

5. Finances

Finances are reasonably healthy. It was decided to keep a current account balance of at least £1000.

Heidi said she was happy to hold at least one breakfast a year and we should consider charging more.

Other options are to look into cycling events and timing to events to co-incide.

Possible race night in March

Need to diary dates for racenights and breakfasts.

6. AOB

Have been 2 complaints regarding dog poo on the green. Suggest that Amber and /or Findlay design a poster.

Chair's note – made a note to ask David Harris regarding his apple juice but don't know what it was in relation to.

17/2/16 update. CWR to ask David Harris about using the Green's apples to make apple juice.
