PARISH NEWS**

MARCH 2011

THE PARISHES OF BRANDESTON AND KETTLEBURGH

Dear Friends,

The year marches forward, and the season of Lent begins with Ash Wednesday on March 9th.

All the Churches in the Loes Deanery have been invited to a united service in St. Michael's Framlingham at 7.30p.m. on Ash Wednesday.

The imposition of ashes on the forehead of the believer on Ash Wednesday signifies an acknowledgement of sin, and the need for repentance and forgiveness. As the ashes are imposed we are reminded of our mortality.

Lent, that period of 40 days which comes before Easter, can be a wonderful opportunity for reflection and preparation. (The word Lent is an old English word meaning 'lengthen'. Lent is observed in Spring, when the days begin to get longer.)

Add to this the liturgical colour of purple, and we get drawn in to the drama of those events leading up to the first Easter Day. Purple is associated with mourning and so anticipates the pain and suffering of the crucifixion, and purple is the colour associated with royalty, and celebrates Christ's resurrection and sovereignty.

The absence of flowers in Churches during Lent reminds us of the solemnity of the season.

Lent can be a 'Springtime of the soul', preparing the soil of our souls for Easter. It is a time to re-assess our priorities, to examine our lifestyles, to look at our giving. It can be a time to de-clutter our lives of all that is unnecessary and superfluous....and no one knows the need of that more than myself!

I wish you a good Lent. Dig deeply, and plant well. The fruits of the Spirit will bloom in Resurrection light on Easter Day.

With love and blessings,

Harry Edwards, Rector.

SEASIDE REMEMBRANCE SERVICE AND WALK FOR ST ELIZABETH HOSPICE

An outdoors remembrance service on a Suffolk beach will be held as part of St Elizabeth Hospice’s popular Walk of Thoughts this year.

The fundraising walk will take place on Sunday 6th March 2011 following a 5.5 mile circular route through Dunwich Heath National Trust countryside.

This will be the fifth annual Walk of Thoughts and the sponsored event is set to attract around 150 keen walkers and those who want to remember a loved one. The event is set to raise around £10,000 to help provide St Elizabeth Hospice services free of charge to people with a progressive illness throughout East Suffolk.

For the first time the walk will be preceded by an outdoor remembrance service on the beach at Dunwich at 11am. The service will be led by Hospice chaplain the Revd Jane Kingsnorth and provide an opportunity for reflection for all the walkers, not just those who have been touched by Hospice care.

St Elizabeth Hospice, based in Ipswich, is an independent charity which costs £6.6m a year to run and relies largely on donations and fundraising events.

The walk is open to people of all ages. It will start from Dunwich Beach Car Park and take approximately 2.5 hours.

Walkers can register in advance or on the day at 10.30am.

For more information or a registration form, please contact the fundraising team on 01473 723600, email fundraising@stelizabethhospice.org.uk or visit www.stelizabethhospice.org.uk to download a registration form online.

KETTLEBURGH KEEP FIT

We have come to the end of the initial 8 sessions which were funded by Suffolk Sport as part of their Active Wellbeing Project.

Everyone is very keen to continue so now is your chance to join in. We will be funding this ourselves so the cost will be a little bit more - probably £3.50 per session. The next 8 week programme will start on Monday 7th March, 10 - 11am in the Hall. We would ask you to sign up for the whole 8 weeks right from the start.

Do give it a go - those who have stayed the course have found it very rewarding and not too strenuous.

Helen Gilbert conducts these workshops. She is a professional artist with many years experience in drawing and teaching. She has won several significant fine art awards to practice and exhibit internationally.

LENT COURSE 2011

Following last years very successful Lent course it has been decided to continue in the same manner, with all seven parishes sharing in the same course. The aim is to roam around the villages, enabling an assortment of venues and times. The course will be structured informally around a short act of worship, refreshments and exploration of 'Faith Journeys'.

By varying the time, day and time of each session it is hoped to make it as accessible to as many people as possible. So, if you can't make all of them there is a chance you will find at least one to suit.

The course is for EVERYONE and anyone – at whatever stage of their individual journeys they are at, and it will be a great opportunity to worship, socialise, explore and learn together. So please, even if you've only got a passing interest, or are slightly curious do feel YOU are welcome to come if only for one or two sessions.

PAST EVENTS

SNOW WHITE AND THE SEVEN DWARFS

The show must go on and the show did go on in spite of the coughs, colds and croaky voices. We were treated to a brilliant performance of Snow White and the Seven Dwarfs; the third pantomime to be shown in the village hall, cheering us all up after Christmas. From the quite delightful fairies, goblins and dwarfs to the King, the Wicked Queen and the servants - all were a joy to watch. The music and the quite lovely solo by Snow White, played by Ellie, was enjoyed by everyone. We have to thank especially Liz and Robert for all their hard work over several months organising the whole performance and not forgetting the "back room boys and girls" involved with the lighting, the scenery and costumes. Over £1,000 was raised to help with the upkeep of the village hall. AB

MEL - OUR TRUSTY POSTMAN - RETIRES

Mel Crossland has faithfully delivered post to Brandeston, Kettleburgh and surrounding villages, through all sorts of weather, for over 15 years. In addition to being a good postman, Mel has also provided a friendly face that many villagers have come to look forward to seeing each day.

Mel is due to retire on 3rd March 2011. The villagers of Brandeston have raised a collection for him in order to express our appreciation of his long service to the village. The proceeds will be presented to Mel at the Coffee Morning in Brandeston Village Hall on Thursday, 3rd March 2011. As well as being the start of a well deserved retirement, this date is also Mel's birthday.

If you would like to say your farewell to Mel personally please come along to the Coffee Morning on 3rd March. If the retirement collection organised for Mel in Brandeston has somehow missed you and you wish to contribute please contact Pam Reade at 1 Larcom's Lawne, Brandeston or call on 685920. PR

A SECOND TALE OF WOE AND APPRECIATION

On Christmas Eve I was calling Alice in and when she reached me, I stooped to stroke her. My left ankle turned over and I fell to the ground, which resulted in a broken right femur and arm. I spent five weeks and two days in hospital during which time Jackie and Bill welcomed Alice, and I was visited by good friends and received lovely cards. Thank you all very much. *Kathleen Lusted*

B.O.D.S (Brandeston Oil Delivery scheme) – covering Brandeston & Kettleburgh

After the alarming hike in the price of heating oil over the Christmas period I have chosen to follow through an idea I have long held that would be advantageous to those of us wanting to hang on to some of our savings, earnings, pensions, etc! In an attempt to reduce the cost of oil deliveries I have asked anyone from the area who may be interested to sign up to share these deliveries thus reducing the cost to the individual.

There is already a proposed delivery date for the **second week in March**. If this is of interest or you would be keen to know of future orders please let me have your details. The more advanced warning there is for the need of an oil delivery the more likely I will be able to get a number of folks interested thereby reducing the price even more. **Bel Goldie-Morrison 01728 684 862 bgm@countrytrust.org.uk**

VOLUNTEERS AND DONATIONS WANTED FOR NEW SHOP IN FRAMLINGHAM

Volunteers and donations are needed for a new St Elizabeth Hospice Shop which is opening in Framlingham. The new store is set to open in April and helpers are needed for as little as two hours a week. Duties include customer service, working on the till, and sorting stock.

The Hospice's retail sales manager, Jason Rudderham, said: "Whether you are looking to improve your CV, gain experience or give something back to the community, we would love to hear from people of all ages."

Donations of second hand goods and clothes are also wanted and should be taken to the shop once it opens. This will be the 13th St Elizabeth Hospice shop to open in East Suffolk. The 12th opened in St Matthew's Street, Ipswich, in February. There are also shops at Woodbridge, Felixstowe, Saxmundham, Leiston, Hadleigh and Stowmarket. All proceeds go to the Hospice, which is an independent charity which costs £6.6m a year to run.

If you are interested in helping out call volunteer services co-ordinator Claire Lansley on 01473 707016 or email volunteer@stelizabethhospice.org.uk

TIMES PAST

Here, in 1952 is the Suffolk Institute of Archaeology’s account of another accidental discovery at St Andrew’s Church, Kettleburgh.

‘Stripping of the exterior north wall of old decayed plaster revealed a small Norman or possibly Saxon window in the chancel wall below the level and a little to the west of the existing late perpendicular window. The small window is round headed and measures 1 foot, 7 inches by 4½ inches in the opening, the sill being 3 feet, 6 inches from the ground. The splay was traced through the interior of the chancel wall. The late perpendicular window cuts into the splay, which was filled with old pieces of roofing tiles...’

Note. The Perpendicular style started about 1330 and continued for about 250 years. It stressed straight verticals and horizontals, demonstrating the riches the wool and cloth trade made for the middle classes of that time.

‘...5 feet, 6 inches west of the small window was found a Piscina of the late 14th Century or early 15th Century with cusped head measuring 1 foot by 2 feet and 2 feet from ground level...’

Note. Piscina – a stone basin for washing the Communion or Mass vessels; provided with a drain and usually placed in a wall south of the altar.

‘... To the west of this there is a blocked in archway about 7 feet in the opening and nearly full height of the wall, which formerly led into the nave of the chancel. About 5 feet further west were found foundations of wall at right angles with the wall of the nave discovered by shallow excavation.’

This is where the Chantry Chapel of the Charles family had once been built. Thus these three former architectural features were revealed. Perhaps in future times other secrets will come to light.
