## THE PARISHES OF BRANDESTON AND KETTLEBURGH

### A letter from Tunstall

Dear Friends

A parish magazine is a wonderful resource isn't it, whether we read all of it from cover to cover, or just use it to find out when the church services are each month. Our magazines are a bargain whether they cost £5 a year, or less, or in fact are a free edition, and one delivered free to every household in all seven parishes is a long held dream, but until income can equal printing costs, or a generous benefactor can be found that seems unlikely to be realised.

While on the topic of magazines I'd like to thank everyone who plays a part in getting our **three** magazines out to you; the readers, month in and month out, year by year. The hardworking editors, the production teams, distributors, deliverers, those who sell the advertising space and help defray the printing costs and at the same time provide a useful local resource – a mini yellow pages to you the readers, all of them deserve a medal.

And as I write this letter I find myself caught between worrying about what I will say in next month's letter, and finishing this one. I need to write two because I will be on holiday when the next one is due, and I have a sore arm from a recent yellow fever vaccination to boot!

I knew being priest in charge of 7 parishes, would be busy, what I didn't expect was to find my desk not big enough for all the separate piles my organising mind wants to create. But it appears at the moment that creating two monthly letters at the same time is a bit too much for my poor brain. And this made me wonder how many of you also find yourself worrying about something at the moment, something you need to do, something that's just happened, or that may be about to happen. And I'd just like to remind you about the power of prayer - it's a great thing for body and mind and spirit, better than a trip to the Doctor for antidepressants, or to the supermarket for more wine!

What a remedy prayer is, something free, and yet totally priceless, but it's more than just attending the Sunday service, it's a continuous process, sometimes it can be just as simple as finding space to sit still or walk, in God's presence, for a few minutes every day, holding the matters, people or concerns that are on our minds, out to God.

St Paul said we should pray without ceasing – and so we should, even if it sounds impossible, and if we savour what is good in our lives, and hold out to God what isn't, this seems to me to be a much wiser way of living, than constantly worrying about the past which we can do nothing about, or the future which will happen whether we will it or not.

So while I'm busy getting ready for a holiday in Africa, please pray for our damaged world and the millions of dispossessed people, yourselves and the things on your mind causing you concern, and also for me.

With love in Christ

**COMPLINE** is a service of Night Prayer, ancient, with its origins back in the C6th and St Benedict, where in the monastic life it marked the completion of the working day, and the start of the grand silence. Compline provides us with a time of silence for reflection and contemplative prayer, and the 1928 version which has been used in these parishes for over 20 years has a gentle rhythm to it, which for me and other regular followers is addictive. And it is something I have a mind to try occasionally during the year, a Friday evening and the end of a working week comes to mind, as does weekly in Lent and during Holy Week. So on Monday, Tuesday and Wednesday of Holy Week 2015 we will meet at **6.30pm** normally seated in the choir pews, as a reminder that it was a monastic ‘office’ and we let out the tensions of the day and shift our attention back to God. It is not lengthy (20 minutes or so) and for many it is the perfect end to a busy day, and sitting in a familiar church at dusk can be an oddly comforting experience. It is also a perfect preparation for what is to follow later in the week, so if you are a ‘fan’ or never tried it, now is your chance and the dates are:

**Monday 30<sup>th</sup> March in Hacheston**

**Tuesday 31<sup>st</sup> in Parham**

**Wednesday 1<sup>st</sup> April in Easton**

**BRANDESTON CHAPEL EVENING** on 20<sup>th</sup> December attracted nearly 50 residents of Brandeston to enjoy food, wine and good cheer to start the Christmas festivities. The evening raised £475 for the chapel restoration fund. Many thanks to those who helped to make this a very successful event again this year.

## **BRANDESTON VILLAGE CHRISTMAS WALK**

It was a lovely sunny morning for the walk on 28<sup>th</sup> December which touched on 3 parishes – Brandeston, Monewden and Kettleburgh. There were 28 walkers including children and dogs who undertook the 3.5 mile hike followed by bacon rolls and hot coffee in the hall. With the raffle this event contributed £123 to the tennis court fund. It was a lovely village event which was much enjoyed by all. Our thanks go to The Morgans for cooking the delicious bacon rolls.

### HOSPICE SHOPS NEED DONATIONS

St Elizabeth Hospice is appealing for donations of good quality items for its shop in Framlingham.

The local charity needs donations of goods such as clothes, shoes, accessories, toys, games, books DVDs, and homeware to resell in its shops to raise vital funds for Hospice care.

Jason Rudderham, St Elizabeth Hospice's Head of Retail, said: "All our Hospice shops are well supported by the community, whether that's through donating items, shopping, or volunteering in the stores – and this month we need your help as we're running low on stock.

"Any items you can donate will be gratefully received and all the money generated from our shops goes towards providing care and support for our patients and their families."

If you would like to support your local Hospice by donating items, please drop them off at your nearest St Elizabeth shop in Market Hill during opening hours, Monday to Saturday, 9am – 5pm.
