1. **DECLARATIONS OF INTEREST:** There were none
2. **APOLOGIES FOR ABSENCE:** Cllrs. R Durbin, P Garland, G Weeks.
3. **Planning Applications**
C09/1105 Corner Cottage – Retention of 2000 litre Calor gas tank and creation of pedestrian access
Providing that the necessary commissioning certificate for the gas tank is in order, there were no objections to this proposal and Councillors unanimously supported it.
C/09/1152 Packway Cottage – Erection of three stable, tack room, feed room and haystore
With the assurance that the stables were for private use only, that neighbours were fully supportive and with the understanding that the stables will be about 30m from the bridleway, Councillors unanimously supported this application.
The Clerk will inform SCDC of these decisions.
4. **A.O.B.**
 - a) Although SCC Highways has not requested any trimming of the laurel hedge outside Corner House at the junction of The Street and Brandeston Road, it is still causing concern to road users. A parishioner raised this matter in Open Session; he was advised to contact SCC Highways with his concerns about road safety.
 - b) Cllr Chase spoke about the deep ditch along Rectory Road between Rectory Farm and Packway Cottage. The Clerk has already contacted SCC Highways about this matter and will report to the next Council meeting any progress that has been made.
 - c) The Chairman was pleased to report that the transfer of the land surrounding the notice board to the Parish Council is now complete. Land Registry title no. SK317994, describes this area as 'land on the north side of The Street'. The documentation was handed to the Clerk.
5. Date of next meeting: Wednesday 16 September *Agenda items by 3 September*
6. The meeting closed at 7:16 p.m.
